ACT ADDENDUM SPRING SESSION 2: June 6

\$400/student (Includes books & materials)

Dear Parents:

At WaveLength Tutoring + Test Prep we bring private tutoring into the classroom with our trademark fresh, effective teaching. Our small, seminar-style ACT Prep courses get the job done in just one session

Introducing the **ACT Addendum**, a single session, 3-hr course taught by our ACT Specialist Andrea Goldman. Andrea will cover the Math, Science, and Reading sections of the ACT, showing you how to adapt the skills and test-taking techniques you mastered on the SAT to the ACT. The ACT Addendum stands alone as a great cram for the test or as a complement to your private tutoring. We offer an Addendum the Sunday before every ACT.

Please print and fill out the form below, check off the session and time you prefer, and return with payment to reserve your spot. For more information about the course, WaveLength, and local references please visit www.WaveLengthSAT.com or call WaveLength at 732.788.5678.

Space is limited and reserved on a first come first serve basis. All schedules are subject to change pending enrollment; if changes are incompatible with the student, a full refund will be issued.

Registration Form

Please make your check for \$400 payable to Matthew Makrinos and mail to 21 Buena Place
Red Bank, NJ 07701.
