Mondays & Wednesdays

6:30-9pm

\$1500/student (Includes books & materials)

Dear Parents:

At WaveLength Tutoring + Test Prep we bring private tutoring into the classroom with our trademark fresh, effective teaching. Our small, seminar-style SAT Prep courses span 6 weeks and include:

- 30 hours of instruction
- class capped at 14 (minimum 5)
- 2 full-length take-home tests
- convenient location
- group rate savings

Please print and fill out the form below, check off the session and time you prefer, and return with payment to reserve your spot. For more information about the course, WaveLength, and local references please visit www.WaveLengthSAT.com or call WaveLength at 732.788.5678.

Considering the ACT as well? The good news is, if you have already prepped for the SAT with us, transitioning from SAT to ACT is easy with the right advice. Just add on the **ACT Addendum**, a single session, 3-hr course taught by our ACT Specialist Andrea Goldman. Andrea will cover the Math, Science, and Reading sections of the ACT, showing you how to adapt the WaveLength skills and test-taking techniques you mastered in SAT class to the ACT. We offer an Addendum the Sunday prior to each ACT.

Space is limited and reserved on a first come first serve basis. All schedules are subject to change pending enrollment; if changes are incompatible with the student, a full refund will be issued. Students dropping course by the end of Week 2 will receive a prorated refund less the cost of books and materials.

Registration Form

Please make your check payable to Matthew Makrinos and mail to 21 Buena Place
Red Bank, NJ 07701.
